Band biography

Formed in 2017, FADEAD have dedicated themselves to delivering pure American style Thrash Metal, infused with dark and atmospheric riffs. Hailing from Berlin, they bring a crushing mix of aggression and melody that will tear through the stage like a storm.

When FADEAD hit the stage, there's no room for nonsense, just pure musical might combined with a razor sharp live presence. Breaks? Forget it. Their set is a relentless onslaught, full throttle from start to finish.

Let's Thrash!
